

POLICY No. MTD-F05-01-02 Rev 3

Original Date: 6/3/18

Latest Date: 6/3/18

This is OUR policy, and we must each accept ownership if we are to be successful both now and in the future. The Management Team will review this policy annually to ensure it reflects the business needs.

Our Quality Policy is to:

Meet our Quality Objectives

Business Plan – KPI

Open and Effective Communication

Provide Customer Satisfaction

Manage Risk Effectively to eliminate or reduce any negative impact on interested parties.

Identify and manage strengths, weaknesses, and opportunities by using SWOT analysis and Action Plans.

Implement and maintain a framework to continually improve its products and services by listening to feedback from customers, employees, and system monitoring.

Commit to meet and exceed applicable requirements of interested parties: Customers, Employees, Suppliers, Certification Bodies, HSE etc.

Commit to implement and maintain a AS9100 / ISO9001 Quality Management System.

Encourage and promote teamwork and ensure we have a highly training and motivated workforce.

Darren BOOTON
Managing Director
